Re: NOTICE OF POST-SEIZURE OF VESSEL with no registration Case 2023-21510

A white and grey 23' belly band boat with no registration number was seized by the City of Portland Parking Enforcement Division on 7/24/2023 for being illegally parked in the public right-of-way in violation of Portland City Code 16.20.170. The Enforcement Agency seized the vessel in accordance with ORS 830.918 because the boat was considered an "Abandoned vessel" as defined in ORS 830.908 (1) and had been left without authorization on public or private land, the waters of this state, or any other water.

The enforcement agency proposes to demolish the vessel by reason of being an abandoned vessel, a derelict vessel, or both. To avoid the demolition of this vessel, it must be picked up by:

**September 3, 2023**

**To prevent disposal of the seized vessel, you must reclaim the vessel and pay all accrued costs prior to September 3, 2023.** If you fail to reclaim the vessel prior to the date specified in this notice, the title of the vessel and all property within the vessel will vest with the City of Portland. The vessel will be destroyed, and you will remain liable for unpaid costs. The total cost of salvage, towing, storage, and disposal is estimated to be approximately \$3,000, but the final cost may be higher or lower than this estimate.
